

Naturalization Index for Waupaca County, Wisconsin

©2012 Waupaca Area Genealogical Society

PO Box 42

King, WI 54946-0042

The Naturalization Records Index for Waupaca County is the results of volunteers from WAGS working over many months. Each document was viewed and selective information was recorded.

When searching this index keep in mind that these were transcribed from the original records. The handwriting on many documents was sometimes very difficult to read. If you cannot find your ancestors, try looking for spelling variations. Some of the difficulties encountered were: S's looking like L's, V's looking like W's and vice-versa. Many of the names were spelled phonetically-as they sounded. Be creative with your searching.

If the field is blank it is either because it was left blank on the document or, in the case of some of the Final Papers, it was never a part of the original form.

If you find more than one entry for your ancestor, check the Record Type. Some people may have two or three records which could represent their Declaration of Intent, Petition, and/or Final Papers. These may or may not have additional information.

These naturalization records are housed at the UW-SP Archives, University Library, Room 506, Stevens Point, WI 54481, 715-346-2586. If contacting them for copies, you need to provide the following information if available in the index: Last Name, First Name, County of Origin, Date Filed, Record type, Series, Box, Folder, Vol., Page or Cert. No.
